RE: **Edward O. Davis Memorial and Franklyn Grosso Scholarship Program**

Do you need money for school? Could a scholarship help?

Would you like a summer job in the New Jersey heavy construction industry?

Enclosed is an application and program overview of the **Edward O. Davis Memorial and Franklyn Grosso Scholarship**. This program provides scholarship money and employment opportunities in the construction industry for students completing their sophomore or junior year in a Baccalaureate Construction Technology or Civil Engineering program. Other engineering students may be eligible (ie mechanical, electrical). Applications are due in our office by **October 22, 2009**. A personal interview will take place at your college during November or December.

A Career Fair will be held on **January 14, 2010** where scholarship awardees will interview with potential employers. **Attendance is mandatory.**

Why not take a minute to look over the enclosed application and apply for this program. You have nothing to lose but a few minutes of your time and everything to gain! **Please note that in 2009 over 40% of the fully qualified applicants received an award, with 43 awards given.**

If you have any questions contact us by phone (732) 738-8636, fax (732) 738-9665, or e-mail at l.pisauro@ciapofnj.org
